Dear Sir:

Your letter of Jan. 27th received. In it you informed me of the fact that you are expecting to be called in the draft. This is of course to be expected. In the meantime if you receive definite word, let me know at once. If you are taken this year, and we do not enter the war, you will be able to go to camp with us next year.

In the meantime sign the enclosed form before a notary public, and return it to me. This has to be done so a team can show priority claim on a player.

I will pay your expenses to camp and while you are there. Please send me some information about yourself, your age, size, weight, height, right or left hand, birthplace, teams played with, if any, outside of your home town. If you have any other information you think would be of interest send it also.

We are planning to leave for camp the first of April.

I will expect to hear from you soon.

Very Truly Yours
